

EmailCounts

EmailCounts is an online service that helps you connect with your customers, members and contacts through permission-based email marketing. EmailCounts helps you build and maintain a 100% permission-based subscriber list, nurture customer relationships, and grow your business through the scheduled delivery of email newsletters, announcements, promotions, and other targeted email campaigns.

To set up EmailCounts:

1. Select EmailCounts from under the *Other Stuff* dropdown menu or from the *Other Stuff* list.
2. Click **Setup New Account**.
